POOL SAFETY

Play it safe this summer!! Remember these rules:

- Make sure children learn basic water safety tips.
- Learn how to swim and teach your children how to swim.
- Keep children away from pool drains, pipes and other openings.
- Be alert when people are in your pool.
- Understand the basics of life-saving techniques so you can assist in a pool emergency.
- Use self-closing and self-latching gates so little ones especially cannot get into the pool when you're not there.
- Never put a dive into shallow water.
- Use the buddy system.
- Swim safely and unimpaired.
- Teach children what to do in case of an emergency. Always keep a portable phone nearby.

WHEN CUTTING YOUR GRASS PLEASE REMEMBER:

- Grass is not to exceed six (6) inches in height.
- Grass clippings are defined as refuse, and are NOT to be blown into the street, and are NOT to be swept down into the storm drains.
- Do not dump bags of grass onto vacant properties, or onto mulch piles. Rotting grass in the summer produces a noxious odor and is a violation of the nuisance ordinance, which is punishable by a fine.

PLEASE TAKE NOTICE!!!

Storm sewers on the streets are a direct line to the Ohio River, which is a drinking water source for many. Rain water flowing through the storm sewers is not treated at the Sewage Plant.

NEVER dump oil, wastes, or sweep grass clippings into a storm sewer.
