WEBSITE BUSINESS/ORGANIZATION SUBMISSION FORM

The Conway Borough website was developed to inform current and potential residents and/or businesses of events that are happening or planned, as well as to provide basic information about the Borough government, ordinances, meeting minutes, etc.....

One of the things that we want to do is provide a listing of all the businesses, churches, and other community organizations that operate or are based within the Borough of Conway. This listing will be provided on the Borough website at no charge.

The following basic information (if applicable) will be listed:

Business / Organization Name _____

Address _____

Phone _____ **Fax** _____

Email Address _____

Website Address _____
(we will provide a link to your site)

Provide any additional information that you would like us include below (or on an additional sheet).
Please Note that this information will only be included if space permits, and subject to committee approval.

I /we authorize Conway Borough to list the attached information regarding my business / organization on the community website.

Signature _____ **Date** _____

The Conway website also contains a Calendar of Events that can be used by Conway-based businesses and organizations to list one-time events or recurring meetings. All requests to post events should be provided to the Website Committee by completing the form on the Calendar of Events page of the website.
