

Citizen Information
On a
ZONING PERMIT
WITHIN
CONWAY BOROUGH

1. A zoning permit is required before you place, erect, or construct any building or structure. A PA UCC building permit is required before any interior or exterior structural changes, additions to or changes in the exterior dimensions of a building, relocation or reconstruction of a building; for example, add a family room, or install a swimming pool. A Razing Permit is necessary to raze a structure.
2. No permit is required for normal maintenance such as painting a house, installing aluminum siding, or replacing roofing. No permit is required for alterations to a building or structure that do not change the exterior dimensions of a building such as replacing windows.
3. The Application for a Zoning Permit shall be filed at the Borough Office by the Applicant. No application shall be officially received unless application is completed in full, is signed, all required attachments have been provided, and fees are paid.
4. Prior to the granting of a Zoning Permit, the Borough will process your application as follows:
 - a. Application will be forwarded to the Zoning Officer for review to determine if Application is complete. If Application is not complete, it will be returned to the Applicant. If Application is complete, it will be declared officially received by the Borough.
 - b. An officially received Application is then reviewed by the Zoning Officer for compliance with the Zoning Ordinance.
 - c. Application may also be forwarded to the following agencies for technical review:
 - 1) Sewage Enforcement Officer.
 - 2) Borough Engineer
 - 3) Borough Planning Commission.
5. If approved, a copy of the Zoning Permit is given to the Applicant and must be publicly displayed at the site.
 - a. A copy of the Zoning Permit is kept on file in the Borough Office.
6. Denial of a Zoning Permit shall include a written statement of reason.
7. A Zoning Permit expires upon completion of authorized work or within one (1) year whichever occurs first. Permits can be issued for more that one (1) year if good reason is given. Further, if the authorized work is not started in 180 days, the permit shall expire.
